Report No. : EGN-1189  
Report Title : Disagreement within the Bonn Government...  
Date of Report : 24 Feb 1961

Core of the intelligence in this report:

Essentially the same story of Erhard's and Etzel's attack on Brentano as we had in EGN-1186, but with the addition that Brentano said he had been authorized to commit the Fedrep to continuing yearly payments in principle. He didn't say who had authorized him.

Comment: Wonder where the Koelnische Rundschau got the story that at the same caucus meeting, Erhard said that Bonn must make a binding statement that it considered development aid a permanent task.
